## 2009 Service Awards and E Urner Goodman Awards

Kudos to all our Cahuilla Lodge Arrowmen! Our Lodge was awarded 2 prestigious awards at the 2010 National Annual Meeting in Dallas, Texas on May 28th: It difficult to just earn one of these prestigious awards, yet we as a lodge have succeeded in being recognized for both. If you would like to get a closer look at these awards, just take a trip to out Council office in Redlands.

## Words From the Section Chief

My Fellow Arrowmen,

I hope you all are having an excellent year celebrating the 100th anniversary of the Boy Scouts of America. We have many opportunities open to us this year, but there is definitely one event that you do not want to miss. The 2010 Section W4S Conclave will be held at El Monte High School in El Monte, California on October 1-3rd, 2010. For those of you who are asking "What is a Conclave?", a Conclave is an event where all of the lodges in a certain area come together for a weekend of training, competitions, and brotherhood. In our section, Section W4S, we are joined by the Ta Tanka, Wiatava and Tiwahe lodges of the Order of the Arrow. So what can you expect at this amazing 2010 Section W4S Conclave? You can expect amazing training from some of the best trainers from our section, a pow-wow featuring the dancers and drum teams from all around our

section, competitions in ceremonies, dancing, and pow-wow drumming, sports competitions such as basketball, lodgeball and volleyball, fantastic shows, a patch trading auction, spirit rallies and competitions between the lodges, amazing food and the first Section W4S trading post featuring Section W4S merchandise such as patches and belt buckles! And our 2010 special guest for the weekend is Brad Lichota, the National Chief of the Order of the Arrow!

So are you interested in a weekend of brotherhood and fun? Join your fellow arrowmen at the Section W4S Conclave and support your lodge!

I will see you there as we follow "in the footsteps of our founders"! -Kyle Sitarski , W4S Chief

## Order of the Arrow Ordeal

May Ordeal  
Candidates

Remarkably, and to the credit of our Lodge Officers and their Advisers, our opening Ordeal at Camp Helendade this May 21-22 overshot our anticipated numbers. We had 72 Candidates and 12 Brotherhood Candidates from across CIEC Districts become Arrowmen, supported by 19 Ceremony Team Members and Elangomats to guide our candidates through their Ordeal. An additional 26 General OA members, both youth and adult, helped staff this event working in all area from registration, Ordeal and Task Masters to a superb kitchen staff from Navajo who fed us well throughout the weekend. Collectively, we kicked-off the 2010 Ordeal season with 129 OA participants. Our 72 Candidates, guided by their Elangomats, exceeded our anticipated work project list by fully cleaning the Helendade Pool and deck area in preparation for painting, setting posts and putting up temporary chain link fencing around the pool house construction area for safety during summer camp, removing all debris from the old demolished Health Lodge, cleaning debris from the Lake feed drainage pipe, some general plumbing and drain repairs, repairs to the path leading to the camp fire bowl area as well as other general clean-up of camp. The weekend was cold with a heavy cloud layer in the late afternoon/early evening on Saturday adding for quite a memorable Ordeal Ceremony for our 72 Candidates as the fog rolled-in quickly making for a picture perfect environment for our Ceremony Teams.

## Mt. Rubidoux

Every year for the last 100 years, there has been an Easter Sunrise Service at the top of Mt. Rubidoux. It was all started by Frank Miller, owner of the Mission Inn, who took a group of 100 people up before dawn to celebrate Easter Sunrise. For almost as long, the Boy Scouts have been lighting the way.

As a service to the city, the local chapter of the Order of the Arrow organizes all of the Packs, Troops and Crews from Riverside to come out the day before Easter to clean and repair all of the trails leading to the top of Mt Rubidoux. The scouts then return before dawn early Sunday morning to be on the trails to provide lights for residents, so they can safely reach the top.

The effort was organized and led by the scouts of the Wanaki Chapter under the direction of Ian Hare, a life scout from Troop 90. We even had some scouts from the Aca Chapter come and help out.

This year was the 93<sup>rd</sup> consecutive year the scouts have performed this service for the city. From this annual project, the Boy Scouts of the Mt. Rubidoux district are able to give back over

**Remember to pay your lodge dues for 2010. We are currently 180 short for making Quality Lodge. Please take the time and help your brothers in the order. Visit [snakepower.org](http://snakepower.org) or pick up a flyer in the Council Office.**

### **The 2009 E Urner Goodman Camping Award**

The E. Urner Goodman Award was established in 1969 as a tribute and testimonial to the Order's founder, E. Urner Goodman. Its purpose is to encourage and challenge Order of the Arrow members and lodges to increase their effectiveness in promoting and increasing Scout camping in each council. Awards are presented to two outstanding lodges in each region annually. For a lodge to be eligible for consideration, the E. Urner Goodman Camping Award petition should be completed and forwarded with the lodge's charter renewal application.

### **The 2009 National Service Award**

The National Service Award was established in 1999 to recognize lodges in each region that have performed outstanding service, both in a qualitative and a quantitative sense, to their council. The National Service Award Petition is submitted along with the lodge recharter application. To be considered for the National Service Award, a lodge must be certified as a National Quality Lodge the year in which the National Service Award Petition is submitted. Two lodges per region will be granted the National Service Award each year.

The National Service Award petition requires lodges to submit information on current lodge membership (the size of a lodge is a factor when considering the magnitude of the service it has provided), a detailed description of the largest and most meaningful service project the lodge has completed for its council, and a record of all service performed by the lodge for the council since the last recharter process.

Service for this award is defined as any project that has directly benefited the Scouting program in the council. The National Service Award was established in 1999 to recognize lodges in each region that have performed outstanding service, both in a qualitative and a quantitative sense, to their council. The National Service Award Petition is submitted along with the lodge recharter application. To be considered for the National Service Award, a lodge must be certified as a National Quality Lodge the year in which the National Service Award Petition is submitted. Two lodges per region will be granted the National Service Award each year.

## **The Next Step: Beginning of the Dance Team for Deer Run Singers**

A special gathering was held at Camp Emerson on June 25 by Deer Run at the end of staff week for summer camp. This was the very beginning of our new dance team.

Our first dancer for the team, Cody Reddick, was presented to the circle in a ceremony called a special. During this ceremony a person who is not a family member is asked to speak for the dancer to tell about their accomplishments to the audience. After this a prayer is offered and then a drum group sings a song while the dancer dances alone once around the circle. After dancing solo around the circle then family and friends are allowed to follow in a line behind the dancer to show their respect and support. James Black Mountain ( O'tam Apache) gave the invocation and benediction as our guest spiritual leader . Nick Dutchover performed an exhibition of southern straight dancing. Dale Parker spoke for the new dancer during the special and Robert Routon, Chase Hadden, Robert Morgan, and Cody Reddick sang on the drum.

### Chief Speaks

Dear fellow Arrowmen,  
 We are off to a great start. So far this year we have had 5 of our four ordeals, each with a great turnout are numbers are doing very well. Our lodge received two of the best awards a lodge can get, The National Service Award and The E. Urner Goodman Camping Award this is a great accomplishment for our lodge. I would like to congratulate Kyle Sitarski our past lodge chief on helping our lodge receive these awards. Our lodge had a great turnout at the 2010 National Scout Jamboree and our Section Chief staffed the Indian village as well as our First Vice-Chief who worked on the O.A. service corps. Our lodge has a great group of young men working on the L.E.C. and I think were going to have a great year. I look forward to seeing all of you out there having a great time and serving our communities.

Yours in brotherhood

### Adviser's Minute

We have had an Outstanding first half of the year... Numerous service hours have been accomplished this year with the various work projects (Emerson & Helendade) and the May, June & August ordeals. Many thanks to all of you who gave of your time and talents to successfully complete these projects.

Enclosed with the Call are the flyers for the exciting upcoming events..... Conclave & Fall Fellowship... and membership renewal forms. The first two are showcases to let our youth shine. The second is to finish off the year as a Quality Lodge.

As to our "Shining Youth" ... Our Lodge youth leadership is the backbone of the Lodge. The potential they have thus far demonstrated has been exceptional. With this potential comes the need for adult leadership and mentors. As of today the lodge is still in need of an advisor for 5 Nations District. This is a critical position requiring immediate attention in our lodge.

This position will not only provide crucial support for our youth, but also provide us, as adults, with the opportunity to learn and grow within the Lodge. Please contact me with any interest or questions regard-

# Order of the Arrow Campfires at Summer Camp

Every summer Cahuilla Lodge hosts the O.A. Campfires during summer camp at Boseker Scout Reservation. Our Lodge's drum & dance team has performed at every campfire from the end June to the first week of August. The performances included Native flute playing, men's northern traditional dancing, straight dancing, story telling, round dances, and even a potato dance.

They've done a great job and the campfires were consistently considered one of the highlights of the week by the campers.
